

SMART CAMERA

At the grocery store & forgotten what's in your refrigerator?

With the **IFB SMART CAMERA** you can receive pictures of the contents of your refrigerator directly on your smartphone allowing you to plan your grocery shopping better.

IFB

USER GUIDE

Install the My IFB App

from Google Play Store or Apple App Store.

Register your IFB Refrigerator

in the appliance section of the My IFB App.

For Optimal Images:

- Keep the door opened for a minimum of 10 seconds for the camera to capture the image.
- Keep the door opened at a 90° angle.
- Minimize contact and keep the face away from the camera's line of sight when handling items in the Refrigerator.

* The Smart Camera captures the image of the inside of the refrigerator door only.

Cleaning & Care

Use a cotton swab or microfibre cloth to clean the camera lens.
